

Visitors' Library Overview

The Visitors' Library offers a rich collection of material of interest both to the casual browser and to the in-depth researcher. Over 1,000 titles offer a better understanding of Mary Baker Eddy, her work, and the times in which she lived.

Titles include:

- Biographies of Mary Baker Eddy
- Mrs. Eddy's published writings
- Bound volumes of the *Christian Science Sentinel* and *The Christian Science Journal* from their first issues to the present
- Histories of New England and the communities in which Mrs. Eddy lived
- Reminiscences and writings by early workers in the Christian Science movement
- Bible translations
- Works on the history of Christianity
- Biographies of religious reformers
- Studies of 19th-century life, as well as science and technology
- Children's books
- Periodicals on early American life, New England museums, and the history of the state of New Hampshire and the Commonwealth of Massachusetts.

Staff members are available to answer questions or assist with research.
